MAY 2024

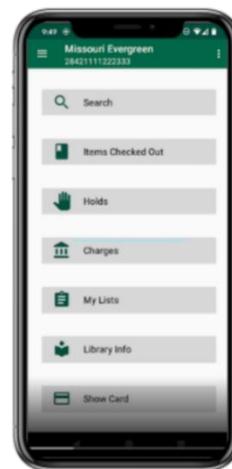

We Are Becoming a Part of Missouri Evergreen Consortium

What does this mean for you?

It means we will have expanded access to place holds for you on items from all across the state. Does our library not have an item you are looking for? We can quickly and easily see which libraries do have it and order the item for you.

We will also have an updated website and Mobile app that you can use to place holds or renew your items. The library will be closed on the morning of Thursday, May 2nd while we switch over to the new computer system. We will reopen at noon and be open from 12:00 pm – 6:00 pm on that day.

We ask for your patience while we are in transition.
